

## Supporting Women in STEM Apprenticeships

OxLEP Skills in collaboration with Mitie are boosting **gender diversity** in STEM with Apprenticeship Levy transfer, encouraging women to pursue STEM Apprenticeships for a more **inclusive** sector.

### What does this mean for you?

- **Access Apprenticeship Levy funds which will cover 100% of your Apprenticeship training costs for Apprentices (aged 22+)**
- **Government funded 1:1 support with every aspect of the Levy fund application**

### Our expert Apprenticeship Advisors provide:

Easy and hassle-free service, unlimited number of Apprentices applications and no 5% training co-investment payment required.

**For a free no commitment conversation, contact:**

**Leah Bryan**

07546 760691
